

Fellow Kids Ministry Leaders,

I am writing to endorse and recommend Jeff Hunter, a gifted kids minister & evangelist. Jeff led our kids ministry for 10 days at our Family Camp in 2020, and led our Statewide Kids Convention the same year. Jeff's creativity, talent, humor, and anointing makes him a great option for your kids event.

Pastor Jeff's silly songs get the kids out of their seats & engaged, while his fun puppet Hood Rat, pops out of a garbage can to 'help' with the scripture verse. He juggles, plays guitar, and his messages are filled with engaging illustrations.

As a District Student Ministries Director, I know how challenging it can be to find camp, retreat, and convention speakers who are effective in their preaching and engaging to their audience. Pastor Jeff is both, and brings a Spirit-Filled ministry and method. Please consider him for your next kids event. Thank you!

Please feel free to contact me with any questions.
